PAYROLL DEDUCTION AUTHORIZATION**

Dear Lake Shore Employee,

Payroll deduction is an excellent way for you to help the Lake Shore Foundation in its efforts toward educational excellence in our schools

The Foundation provides funding to foster innovative teaching, classroom enrichment activities, scholarships, student motivational programs, staff improvement, positive school/community interaction, and other educational benefits for students of the Lake Shore schools.

May we add your name to our list of contributors? The contribution is up to you. As little as \$2.00 per pay period will go a long way in helping the Foundation's efforts.
